

# Change Maker

Emily Barden

## Verse 1

There are sparks within us, we cannot hide,  
Energy (energy, energy)  
We're here to shine and we want to guide,  
Creativity (creativity, creativity)

We won't stand by doing nothing,  
When we know it's not right.  
We have the power,  
We're gonna fight the good fight!  
Just because it's been this way,  
Doesn't mean it has to stay.

## Chorus

I'm a change maker,  
Gonna be a chance taker.  
A barrier break, break, breaker,  
Your conscience shaker.  
I'm a change maker,  
Gonna be a chance taker.  
A barrier break, break, breaker,  
I'm a mmmmm, mmm change maker!

## Verse 2

With our fire ignited, we're burning bright,  
Positivity (positivity, positivity)  
It's time to lead, be a shining light,  
Possibility (possibility, possibility)

We won't stand by doing nothing, (We aren't standing by)  
When we know it's not right.  
We have the power, (Time to fight the fight)  
We're gonna fight the good fight!  
Just because it's been this way,  
Doesn't mean it has to stay.

### **Chorus**

I'm a change maker,  
Gonna be a chance taker.  
A barrier break, break, breaker,  
Your conscience shaker.  
I'm a change maker,  
Gonna be a chance taker.  
A barrier break, break, breaker,  
Yeah! Yeah! Yeah!

I'm a change maker,  
Gonna be a chance taker.  
A barrier break, break, breaker,  
Your conscience shaker.  
I'm a change maker,  
Gonna be a chance taker.  
A barrier break, break, breaker,  
I'm a mmmmm, mmm change maker!  
Mmmmm, mmm change maker! (woohooohoooo)  
Mmmmm, mmm change maker! (yeah, yeah yeah, yeah)  
Mmmmm, mmm change maker! (woohooohoooo)  
Mmmmm, mmm change maker!
