

The Very Fat Crab

Patrick Nicholls

Verse 1

There's a very fat crab who lives in the sea,
And he's always looking for something to eat.
But his very fat legs are very, very slow,
So swim little fishes, off you go.

Chorus

Swim, swim, swim, swim, swim, swim,
Swim little fishes he's after you.
Swim, swim, swim, swim, swim, swim,
Over the ocean blue.

Verse 2

There's a very fat crab who lives in the sea,
And his giant pincers are ready for tea.
But his very fat legs are very, very slow,
So swim little fishes, off you go.

Chorus

Swim, swim, swim, swim, swim, swim,
Swim little fishes he's after you.
Swim, swim, swim, swim, swim, swim,
Over the ocean blue.
