

A New Day For Me

Simon Roberts

Verse 1

I wake up in the morning and I get out of bed,
Open the curtains, open the curtains,
Sun shining on my face, it's a new day.

I wake up in the morning and I get out of bed,
Ready for breakfast, ready for breakfast,
Can't wait to get to school, it's a new day.

Chorus

A new day, a new day,
A new day for me.
A new day, a new day,
Just you wait and see.

Verse 2

I try to clean my teeth while I am getting dressed,
Turn on the water, turn on the water,
Teeth will be gleaming white on a lovely day.

I try to pull my socks on as I'm standing up,
Falling all over, falling all over,
Can't wait to get to school, it's a new day.

Chorus

A new day, a new day,
A new day for me.
A new day, a new day,
Just you wait and see.

Verse 3

Today has been a great day and I'm really tired,
Ready for home time, ready for home time,
Can't wait to see my mum at the end of the day.
Tomorrow will be diff'rent and I just can't wait,
New adventures, many adventures,
Sure it will turn out fine, on my new day.

Chorus

A new day, a new day,
A new day for me.
A new day, a new day,
Just you wait and see.
