

# Birthdays

Catherine Brentnall

## Verse 1

There's a present from my nan with a shiny bow,  
There are cards from ev'ryone I know.  
My fam'ly all sing while the candles glow,  
I blow really hard and out they go.  
Birthdays are so good,  
I'd have one ev'ry day, if I could!

## Verse 2

I have a big party with all my friends,  
We play lots of games - I hope it never ends!  
There's jelly and ice cream and birthday cake,  
We eat so much we nearly get tummy ache.  
Birthdays are so good,  
I'd have one ev'ry day, if I could!
