

# Boogie Woogie Banana

Iain Gilmour

## Verse 1

It is technic'lly a berry,  
But it grows upon a plant that is a herb.  
We are told that it is skiddy,  
'Cause the peel is very slippy, that's absurd!  
And the top's in fact the bottom,  
When they're growing you can spot 'em, so I've heard.

## Chorus

Boogie woogie banana,  
You're the best of the bunch.  
Boogie woogie banana,  
For my breakfast and lunch.  
Boogie woogie banana,  
You're the one with appeal.  
Boogie woogie banana,  
You're my favourite meal.

## Verse 2

They are packed full of potassium  
And keep your serotonin levels tight.  
Use the inside of the peel,  
If you want a way to heal an insect bite.  
And your guts will love the fibre,  
That bananas put inside ya, keeps you right.

## Chorus

Boogie woogie banana,  
You're the best of the bunch.  
Boogie woogie banana,  
For my breakfast and lunch.  
Boogie woogie banana,  
You're the one with appeal.  
Boogie woogie banana,  
You're my favourite meal.

## Bridge

Here's a secret thing about them,  
Just between you and me.  
Stick your thumb in the top,  
And they divide into three!

## Chorus

Boogie woogie banana,  
You're the best of the bunch.  
Boogie woogie banana,  
For my breakfast and lunch.  
Boogie woogie banana,  
You're the one with appeal.  
Boogie woogie banana,  
You're my favourite meal.  
Boogie woogie banana,  
You're my favourite meal.  
Now split it!
