Look at your hands, all your fin-gers and thumbs,

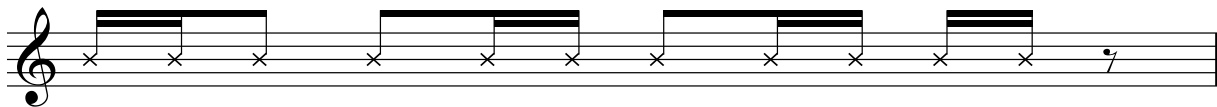

They can make a diff'-rence when and if the time comes. If you

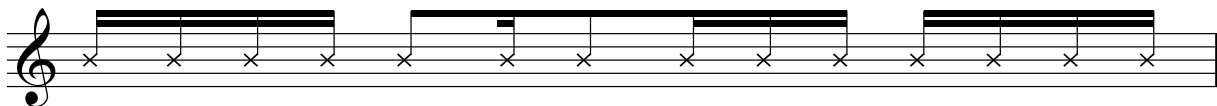

lis - ten to your train - ing and you keep your head calm,

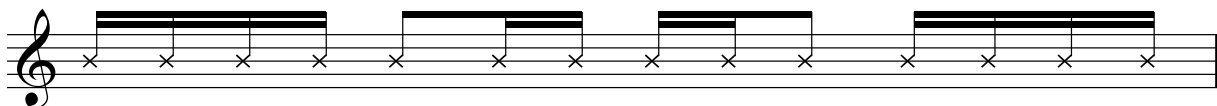

You might save a life with-out cau-sing a-larm. C P R! C P R!

Car - di - o - pul - mon - 'ry re - sus - ci - ta - tion.

Some-thing you can use when in a si - tu - a - tion, When the

Place them on the chest and man-age the con-di-tion. C P R! C P

You can have a rest when you see the pa - ra - me - dic. C P
