

Cinderella

Heather Uden

Verse 1

There once was a girl, who lived in a world,
Of jealousy sadness and lies.
Cinderella was strong, knew her sisters were wrong,
She knew she would find her prize.

Chorus

When Cinderella danced at the ball,
She found herself admired by all,
She danced with the Prince,
And so ever since,
Her heart has been dancing,
Dancing for joy.

Verse 2

When midnight chimes rang, Cinderella soon ran,
Left all of her dreams behind.
But she knew in her heart, knew in her dancing heart,
Her own happiness she'd find.

Chorus

When Cinderella danced at the ball,
She found herself admired by all,
She danced with the Prince,
And so ever since,
Her heart has been dancing,
Dancing for joy.
