

The Covid Rap

Iain Gilmour

Chorus

Covid nineteen's still about,
Sing this rap to stamp it out.
Covid nineteen's still about,
Sing this rap to stamp it out.

Verse 1

Although we're back at school, I think it's fair to say,
The virus hasn't gone, it might be here to stay.
We'd better carry on with all the things we do,
Keeping ev'ryone safe, that means me and you.

Chorus

Covid nineteen's still about,
Sing this rap to stamp it out.
Covid nineteen's still about,
Sing this rap to stamp it out.

Verse 2

Social distancing, two metres away,
We'll get to hug our friends again another day.
Wash your hands real well using water and soap,
Twenty seconds gives us all a sense of hope.

Chorus

Covid nineteen's still about,
Sing this rap to stamp it out.
Covid nineteen's still about,
Sing this rap to stamp it out.

Verse 3

I know it can seem tough that there's no end in sight,
But one day in the future we will be alright.
So keep your spirits up, focus on the good,
And we'll be back to normal like we said we would.

Chorus

Covid nineteen's still about,
Sing this rap to stamp it out.
Covid nineteen's still about,
Sing this rap to stamp it out.
Covid nineteen's still about,
Sing this rap to stamp it out.
Covid nineteen's still about,
Sing this rap to stamp it out.
