

Dinosaur

Catherine Brentnall

Verse 1

If I could travel back one day in a time machine,
I know just where I'd head for.
Back to when there were no humans on the scene,
Back to the age of dinosaurs.
Millions and millions of years back in history,
So many kinds of dinosaur I'd like to see!

Chorus

I wanna see a triceratops with horns a metre long,
I wanna see a tyrannosaurus, so fierce and so strong.
I wanna see a stegosaurus with a tail full of spikes,
To use in defence when danger strikes,
I'll say it once more:
I wanna see a dinosaur!

Verse 2

But if I cannot get my hands on a time machine,
I'll do the very next best thing.
Hunt for fossils, search for clues, find out what they mean,
And do some more imagining.
Millions and millions of years back in history,
So many kinds of dinosaur I'd like to see!

Chorus

I wanna see a triceratops with horns a metre long,
I wanna see a tyrannosaurus, so fierce and so strong.
I wanna to see a stegosaurus with a tail full of spikes,
To use in defence when danger strikes,
I'll say it once more:
I wanna to see a dinosaur!
