

Hear Our Voice

Catherine Brentnall

Verse 1

Why should it be,
That politics is just for men?
No equality,
Women, ignored again.
Women work hard and then, they pay tax just like men,
So why are they pushed aside?
The same laws apply to both genders so why,
Is women's right to vote denied?

Chorus

Taking a stand,
Women throughout the land,
All unite,
Hear our voice,
Listen and take note.
Suffrage for all is our aim,
And we call for a change,
Hear our voice,
We won't rest until,
Women can vote.

Verse 2

Some promote the cause,
With peaceful protest.
Others break laws,
Violence, unrest.
But both sides agree that persistence is key,
If the battle is to be won.
They continue to fight,
To secure the right,
To vote, for everyone.

Chorus

Taking a stand,
Women throughout the land,
All unite,
Hear our voice,
Listen and take note.
Suffrage for all is our aim,
And we call for a change,
Hear our voice,
We won't rest until,
Women can vote.

Bridge

Hold on,
Though the struggle is long, you just have to be strong.
Shout out,
Fight for the right to be heard.

Chorus

Taking a stand,
Women throughout the land,
All unite,
Hear our voice,
Listen and take note.
Suffrage for all is our aim,
And we call for a change,
Hear our voice,
We won't rest until,
Taking a stand,
Women throughout the land,
All unite,
Hear our voice,
Listen and take note.
Suffrage for all is our aim,
And we call for a change,
Hear our voice,
We won't rest until,
Never rest until,
We won't rest until,
Women can vote.
