

Heroes Of The Mary Rose

Iain Gilmour

Chorus

Diving on the Mary Rose,
Every day swimming down discovering more.
Rescuing the Mary Rose,
Forty years since they helped to lead her ashore.
Working on the Mary Rose,
Volunteers who today are largely unknown.
Heroes of the Mary Rose,
Bringing Henry's ship home.

Verse 1

Another day another wet suit that never got dry,
You take the plunge and wave visibility goodbye.
Make sure that you swim to the right place,
Keep clouds of sediment away from everyone's face.

Chorus

When you're diving on the Mary Rose,
Every day swimming down discovering more.
Rescuing the Mary Rose,
Forty years since they helped to lead her ashore.
Working on the Mary Rose,
Volunteers who today are largely unknown.
Heroes of the Mary Rose,
Bringing Henry's ship home.

Verse 2

Five hundred divers making 28,000 dives,
Eleven and a half years if just one of them tried.
Revealing her secrets from under the sea,
Pioneers of maritime archaeology.

Chorus

Diving on the Mary Rose,
Every day swimming down discovering more.
Rescuing the Mary Rose,
Forty years since they helped to lead her ashore.
Working on the Mary Rose,
Volunteers who today are largely unknown.
Heroes of the Mary Rose,
Bringing Henry's ship home.

Bridge

Forty years since she appeared,
From underneath the water.
Forty years so forty cheers,
For all those who restored her!

Chorus

Diving on the Mary Rose,
Every day swimming down discovering more.
Rescuing the Mary Rose,
Forty years since they helped to lead her ashore.
Working on the Mary Rose,
Volunteers who today are largely unknown.
Celebrate the Mary Rose,
Henry's ship is back home.
