

I'm A Clown

Jeff Leach and Emily Barden

Verse 1

Can you guess what I can be? Fun for all the family.
Big red nose and curly hair, I bring mischief ev'rywhere.

Chorus

Round and round goes my bow tie,
Squirting water in your eye.
Look out here's a custard pie, you'd better run.
Never will you have a frown,
I'll pick you up when you are down.
Yes, you know it, I'm a clown,
Let's have some fun!

Verse 2

Blowing bubbles in the air, Giant shoes are what I wear.
In the circus, at the fair, Causing chaos anywhere.

Chorus

Round and round goes my bow tie,
Squirting water in your eye.
Look out here's a custard pie, you'd better run.
Never will you have a frown,
I'll pick you up when you are down.
Yes you know it, I'm a clown,
Let's have some fun.
Roll up, see your fav'rite clown,
Let's all have fun.
