

# In Every Roll

## Out of the Ark Music

### Verse 1

Some people like a festive penguin,  
Some people love a royal blue.  
Some people go for inexpensive,  
The choice is up to you!

Some people like a satin finish,  
Some people douse in glitter glue.  
Some people tie a classy ribbon,  
The choice is up to you!

### Bridge

Coz there's a world of colour and texture,  
It's just round the corner and waiting for you.  
In every roll of paper, a story will wait to unfold,  
'Til it's given to someone who's in your heart,  
So wrapping's the place to start.

### Verse 2

Some people like it eco-friendly,  
Find what they have and just reuse!  
Some people go for fun and trendy,  
The choice is up to you!

Some people like a higher price tag,  
Some 'D. I. Y.' and just make do.  
Some people love a simple gift bag,  
The choice is up to you!

## Verse 3

Some people like co-ordination,  
Some will combine their pinks and blues.  
It's all about imagination,  
The choice is up, the choice is up, the choice is up to you!
