

# In Outer Space

Patrick Nicholls

## Verse 1

In outer space the stars are twinkling,  
The stars are twinkling, the stars are twinkling.  
In outer space the stars are twinkling,  
Twinkling up in the sky.

## Chorus

Can you see them,  
Up in the sky, when they fly by?  
Can you touch one,  
Why don't you try? Reach to the sky.

## Verse 2

In outer space the stars are sparkling,  
The stars are sparkling, the stars are sparkling,  
In outer space the stars are sparkling,  
Sparkling up in the sky.

## Chorus

Can you see them,  
Up in the sky, when they fly by?  
Can you touch one,  
Why don't you try? Reach to the sky.  
Why don't you try? Reach to the sky.
