

In The Tropical Sea

Patrick Nicholls

Verse 1

We're tropical fish and we're pretty,
You can buy us in towns and in cities.
But we really shine where the waves flow free,
As we swim in a tropical sea.
We're catfish and clown fish and guppy,
And you may see a shark if you're lucky.
'Cos we really shine where the waves flow free,
As we swim in a tropical sea.

Chorus

Part 1

In the deep blue sea,
The water's warm,
With our colours bright,

Part 2

In the deep blue sea,
And we're swimming free,
Where the sun shines light in the water,

Together

That's where we love to be,
In the tropical sea.

Verse 2

So when you are down and it's raining,
Don't you sit on your own, no complaining.
Just come here and live where the waves flow free,
You can swim in a tropical sea.

Chorus
