

Lollipop

Catherine Brentnall

Verse 1

Walking to the bus stop,
Or on my way to school,
Going to my friend's house or the swimming pool.
The roads are very busy,
With lorries, vans and cars,
Crossing can be dangerous so listen hard!

Chorus

Just look for the lollipop man,
He's happy to give you a hand,
So look out, listen and stop,
He'll help you to cross safely with his lollipop.

Verse 2

Walking to the station,
Or strolling by the sea,
Going to the cinema just Mum and me.
The roads are very busy,
With lorries, vans and cars,
Crossing can be dangerous so listen hard!

Chorus

Just look for the lollipop man,
He's happy to give you a hand,
So look out, listen and stop,
He'll help you to cross safely with his lollipop.
