

# Mango

Emma Bannister-Palmer

## Verse 1

The mango tree is evergreen its flow'rs are small and white,  
With just five petals, takes the fruit 'bout six months to come ripe.  
This fruit it varies, diff'rent shapes and sizes can be seen,  
Its colours also vary: orange, yellow, red and green.

## Chorus

Mango, a very common food,  
Mango, to dislike it would be rude.  
Mango, such a refreshing drink,  
How wonderful, how versatile, you really make me think!

## Verse 2

The fruit is used in many meals and courses of the day,  
In chutneys, pickles, curries, or in smoothies on our way.  
It can be served on ice cream or even on a stick,  
A basket full of mangoes is a sign of true friendship.

## Chorus

Mango, a very common food,  
Mango, to dislike it would be rude.  
Mango, such a refreshing drink,  
How wonderful, how versatile, you really make me think!

## Ending

Vitamin A,  
Vitamin C,  
Mango, you are very good for me.  
Mango!
