

Moon Rock Boogie

Stu Brewer

Verse 1

Flying through the sky,
Launching into outer space,
Blasting through the atmosphere,
To reach my fav'rite place.

Chorus

It's the Moon rock boogie,
It's the Moon rock boogie,
5, 4, 3, 2, 1,
We're going to the Moon!

Verse 2

Landing in my lunar module,
Zero gravity,
One small step for man,
And for mankind and for me.
There I see a crater,
There I see the Earth,
And when I get back down there,
I'm just going to burst.

Chorus

And sing the Moon rock boogie,
Sing the Moon rock boogie,
5, 4, 3, 2, 1,
We're going back to Earth!

Chorus

It's the Moon rock boogie,
It's the Moon rock boogie,
5, 4, 3, 2, 1,
We've been to the Moon!

Verse 3

Get back home to planet Earth,
Newborn celebrity,
On the billboards, magazines,
Is where my face will be.
Even though I'm famous,
The only thing I miss,
Is going up into my rocket,
Moon rock boogie bliss!

Chorus

It's the Moon rock boogie,
It's the Moon rock boogie,
5, 4, 3, 2, 1,
We've been to the Moon!

It's the Moon rock boogie,
It's the Moon rock boogie,
5, 4, 3, 2, 1,
We've been to the Moon!
