Version 6: Whole song

Verse

My head's always spinning with a song,
I can't resist the urge to sing along.
Music is my passion, don't you know?
I seek out music ev'rywhere I go.
There's no doubt about it,
Music makes me feel alive.

Chorus 1

Music makes me feel alive,
It can brighten up my day,
It can chase the blues away.
Sends me into overdrive,
Makes my body want to move,
When I get into the groove.
There's no doubt about it,
Music makes me feel alive.

Bridge

I'd be a cool rock star,
Playing the lead guitar.
Star in a musical,
All the seats would be full.
Get in the salsa groove,
These feet can really move,
Maybe I'll play the drums,
Swinging those jazz rhythms.
I could play violin,
Lead the orchestra I'm in.
Play trumpet in band,
Marching across the land.
There's no doubt about it,
Music makes me feel alive.

Chorus 2

Music makes me feel alive,
It can brighten up my day,
It can chase the blues away.
Sends me into overdrive,
Makes my body want to move,
When I get into the groove.
There's no doubt about it,
Music makes me feel alive.
I can't live without it,
Music makes me feel alive.
