

# Octopus

Catherine Brentnall

## Verse 1

The octopus looks so distinctive,  
Eight arms, huge eyes, big round head.  
It's very popular with sharks and dolphins,  
Not to look at but to eat instead!  
But the octopus is good at avoiding attack,  
And throwing its predators off its track.

## Chorus

Octopus, oh octopus,  
Your talent is immense.  
Octopus, oh octopus,  
The king of self defence!

## Verse 2

The octopus can change its colour,  
To blend in with the ocean floor.  
Or release a cloud of black ink,  
So its predators see it no more.  
Yes the octopus is good at avoiding attack,  
And throwing its predators off its track.

## Chorus

Octopus, oh octopus,  
Your talent is immense.  
Octopus, oh octopus,  
The king of self defence!

### Verse 3

The octopus can swim at speed,  
And squeeze itself into the tiniest crack. If it's  
caught by an arm,  
It can detach it and grow it back.  
Yes the octopus is good at avoiding attack, And  
throwing its predators off its track.

### Chorus

Octopus, oh octopus,  
Your talent is immense.  
Octopus, oh octopus,  
The king of self defence!
