

# Starting From Now!

Out of the Ark Music

## Verse 1

Happy endings are meant to happen together,  
So what do you say?  
What do you say?  
We lost sight of it all, the magic and wonder,  
It feels like a waste,  
Feels like a waste.  
What if every year we could start helping each other?  
What if every year we could save Christmas somehow?

## Chorus

Come together, bringing your party shoes and dancing moves,  
We're gonna build community tonight.  
Sing it louder, friends and family are all we need,  
We know that that's what Christmas is about,  
Starting from now.

## Verse 2

Flying reindeer who kept an eye on the weather,  
It's snowing again,  
Snowing again.  
Tiny elves with their shiny metres of paper,  
With presents to send,  
Presents to send.  
What if every year we could start helping each other?  
What if every year we could save Christmas somehow?
