

# The Camel

Music and lyrics by Sue and Steve Beckett

## Verse 1

Camel,  
The good ship of the desert,  
Bobbing up and down you travel,  
'Cross the dunes.  
Camel,  
You're a mighty strange construction,  
But it's nature that has made you,  
Such a sight!

## Chorus

Camel,  
Fabulous beast,  
Built up bit by bit.  
Camel,  
Only one flaw  
The fact you spit!

## Verse 2

Camel,  
Humps that store up fat for water,  
Special feet to stop you sinking,  
In the sand.  
Camel,  
With your lashes long and curly,  
And your ears so very hairy,  
Such a sight!

## Chorus
