

The Guildhall Clock

Simon Roberts

Voice 1

In the shadow of the night,
There in the darkness is a sight,
Terrifying, ready to shock,
All who look at the Guildhall clock.

Tick tock, time moves on.
Terror, better watch out!
Don't look, run and hide.
Go home, don't go inside.
Tick tock, time moves on.
Terror, better watch out!
Don't look, run and hide.
Go home, don't go inside.

Time always ticking you'd better beware,
'Cos the creatures that live there are going to scare you,

It's time always ticking you'd better beware,
'Cos the creatures that live there are going to scare you. (x3)

In the shadow of the night,
There in the darkness is a sight,
Terrifying, ready to shock,
All who look at the Guildhall clock.

All who look at the Guildhall clock.
(x3)

Guildhall clock, the Guildhall clock,
The Guildhall Clock, the Guildhall clock.

Voice 2
