

# The Longboat Song

Stu Brewer

## Verse 1

From the cold winds of Valhalla,  
To old England's icy seas,  
You'll know when we come 'cause you'll hear it from our drums,  
We are the Viking fleet.  
We are the fierce invaders,  
From Nordic lands afar,  
With our pointy hats and our fearsome axe,  
And our dragon's screaming roar!

## Chorus

This is our longboat song,  
We've sailed so far, we are so strong,  
You'll hear our cry, with our gods from the sky,  
We are the Vikings!

## Verse 2

We came to loot and pillage,  
To burn and fight you see,  
We are the wild Norse men,  
And we came for your monast'ries.  
With our god of thunder,  
Thor he'll lead us on.  
Loki will cheat, like a liar and a sneak,  
With Odin the battle's won.

## Chorus

This is our longboat song,  
We've sailed so far, we are so strong,  
You'll hear our cry, with our gods from the sky,  
We are the Vikings!

### Verse 3

Through the dark and scary times,  
Vicious Vikings sail,  
Cross the sea to find new lands,  
Conquer and prevail.

### Chorus

This is our longboat song,  
We've sailed so far, we are so strong,  
You'll hear our cry, with our gods from the sky,  
We are the Vikings!  
We are the Vikings!  
We are the Vikings!
