

The Medal Ceremony

Catherine Brentnall

Verse 1

As you're crossing the finish line,
You know you ran a great race.
You might not have quite come first,
But you managed to place.
You worked really hard,
And came in the top three.
You can't wait for the medal ceremony!

Chorus

Step up on the podium,
Take your praise from the crowd.
Wear that medal round your neck,
Stand tall and feel proud.

Verse 2

Some people just want to win,
And gold is all they desire.
But any medal's a great result,
Something to admire.
You worked really hard,
And came in the top three.
You can't wait for the medal ceremony!

Chorus

Step up on the podium,
Take your praise from the crowd.
Wear that medal round your neck,
Stand tall and feel proud.

Hearing the crowd cheer you stop and you smile,
All those months training were truly worthwhile.

Take your praise from the crowd.
