

# The Pollution Revolution

Jon Cook and Sue Beckett

## Verse 1

We've all joined the pollution revolution,  
Each one of us must make a resolution,  
Come and join (come and join, come and join),  
The pollution revolution.

## Chant

Let's take heart, from the start, play our part.  
Let's take heart, from the start, play our part.  
Let's take heart, from the start, play our part.  
Fight pollution!

## Verse 2

We've all joined the pollution revolution,  
It's up to us to look for the solution,  
Come and join (come and join, come and join),  
The pollution revolution.

## Chant

Let's be strong, find what's wrong, can't take long.  
Let's be strong, find what's wrong, can't take long.  
Let's be strong, find what's wrong, can't take long.  
Fight pollution!

## Verse 3

We've all joined the pollution revolution,  
Working together we'll make our contribution,  
Come and join (come and join, come and join),  
The pollution revolution.
