

# The Troll

Catherine Brentnall

## Verse 1

I'm a troll, I'm big and tall,  
I'm the meanest troll of all.  
I guard the bridge, all day long,  
And my mouth begins to water when a billy goat comes along!

## Verse 2

Under the bridge, that is my home,  
That's where I live, all alone.  
I guard the bridge, all day long,  
And my mouth begins to water when a billy goat comes along!

## Verse 3

In that field, there's sweet green grass,  
But I won't let anyone pass.  
I guard the bridge, all day long,  
And my mouth begins to water when a billy goat comes along!

## Verse 4

Listen up! I think I hear,  
The sound of hooves - a goat is near!  
I'll hide away, out of sight,  
And I'll jump out with a roar and give the billy goat a big fright!  
ROAR!
