Tal-kin''bout di - ges-tion,
chew-in',
tes-tine,

Is there a - ny
Know what you are
Most im - por-tant

Abm Abm Cb

ques-tion?
do - in'?
sec - tion,

When you swa-llow all your
Gett-ing en-zymes and sa -
Where the good bits of the

Chords: C \flat , B \flat , B \flat

food what happ-ens then?
-li - va all mixed up.
food all get ab - sorbed.

Is it in your
Now it's time to
Helped out by the

Chords: E \flat m, E \flat m, A \flat m

tumm - y,
swa-llow,
li - ver,

That it all goes runn-y?
Down a tube that's ho-llow,
Bile it does de - li-ver,

Chords: A \flat m, C \flat , B \flat , E \flat m

And what ex-act - ly
Oe - soph - a - gus has
The pan - cre - as it

happ-ens in your guts?
no-thing much to rhyme!
off-ers more en - zymes.

Ebm Cb Bb Cb

Why can you tell, When you're not
 Now comes the fun, In - side your
 Large in - tes - tine, Stores for some

Bb Cb Cb Bb

well, With tum - y ache and num - ber twos?
 tum, The gas - tric jui - ces start to work.
 time, Left ov - er waste that's known as stools.

Bb Ebm Ebm

What happ - ens to your food, food, food, When it has been

G \flat G \flat A \flat

chewed, chewed, chewed? Don't meanto be rude, rude,

A \flat B \flat B \flat

rude, But we might have to men-tion toil -ets. Time you
