

With a Friend

(The Bonds of Friendship)
Iain Gilmour

With a friend, life's not so grey,
You've got somebody to sympathise when troubles come your way.
With all those slings and arrows,
You know that this is true,
The bonds of friendship will help to comfort you.

With a friend, you're not alone,
In time of celebration for a natter or a moan.
A precious conversation,
With one who knows the deal,
The bonds of friendship are twice as strong as steel.

There's a Bonds of Friendship Sculpture,
In fact, there is a pair.
One is here in Portsmouth.
The other? Australiair!
Yeah!

With a friend, grey skies turn blue,
There is somebody to bring the sun, no matter what you do.
They'll be around for ever,
Just like the stars above,
The bonds of friendship are truly forged from love,
The bonds of friendship are truly forged from love.
