

Your Senses

Catherine Brentnall

Verse 1

Think of all the ways that you use your senses,
Think of all the things that your eyes can see.
Colours of the leaves on the trees in autumn,
Fairy lights on the Christmas tree.

Verse 2

Think of all the ways that you use your senses,
Think of all the things that your ears can hear.
People on the phone or the sound of laughter,
Football fans when they start to cheer.

Verse 3

Think of all the ways that you use your senses,
Think of all the things that your tongue can taste.
Strawberries and cream or a juicy apple,
Medicine or some minty toothpaste.

Verse 4

Think of all the ways that you use your senses,
Think of all the things that your nose can smell.
Dinner in the oven or Mum's best perfume,
All the flowers that the florists sell.

Verse 5

Think of all the ways that you use your senses,
Think of all the things that your hands can feel.
Soft fur on my kitten or squidgy plasticine,
Rough tyres on my bicycle wheel.
