

PLAY UP POMPEY

*And now you'd better believe us
And now you'd better believe us
And now you'd better believe us
We've gone and won the league!*

You should have been there
You needed to see
With the score at two apiece
We needed three

With seconds to spare
Enter Shaughnessy
Put the ball in Barnsley's net
A night we won't forget!

Pompey played up
Pompey were strong
And we are back
Where we belong
Championship
We're here for you
Our football dream
Has now come true

*Pompey play up
Play up Pompey
Pompey play up
Play up Pompey
Pompey play up
Play up Pompey
Pompey play up
Play up Pompey*

Pompey played up
Pompey were strong
And we are back
Where we belong
Championship
We're here for you
Our football dream
Has now come true
